DARK MOON STUDIO OPENS

Sondra Fowler is pleased to announce that Dark Moon Studio is now open to clients.

Dark Moon Studio offers painted and cut vinyl letters and graphics for magnetic signs, window signs, vehicles or for any other acceptable surface. Your sign is one of your most effective and hardest working forms of advertising and it comes with a one time cost unlike other methods of advertising. Temporary flash or splash window painting will be available this spring for store fronts or vehicle windshields. Tempt new customers in with an attractive window graphic.

Custom sized and designed banners for either long or short term usage are available as well as a newer process called digital printing. Digital printing allows for full color printing at a more reasonable price than screen and traditional four color printing. Business cards, flyers, postcards and signs are just a few areas where this technology can be applied.

Design and Illustration services can also be found at Dark Moon Studio. Sondra believes that a strong identity is a key factor for customer confidence and recognition. To assist in achieving this identity The Studio offers a Basic Business Identity Package or BIPackage. The package comes with logo design and scaleable final art, a sign, full color business cards, Design and scaleable copy of three print ads. Anything available in the BIPackage is also available ala carte as well as many other services and products such as brochures, posters, flyers, letterhead and envelopes, t-shirts and transfer design and web graphics. Dark Moon Studio hopes to add web design services in the future. Sondra can design custom invitations for things like parties and reunions. Promotional assistance is also available. All services are available for busi-

ness, organization or private use. Sondra stays current with trends by reading trade magazines, the use of design message boards and attention to media. Dark Moon Studio and Sondra Fowler can guide you from conception to finished product.

KUDOS, KICKS & KARATS

DEAR WW READERS

The Warren Church of Christ wants to thank everyone who came out Sunday, March 5, to enjoy the meal at the Knight-Bergman Civic Center. We estimated that around 275 came and want you to know that your donations resulted in over \$600 proceeds that will be given to the Warren Bread of Life Food Pantry and the KBCC. We counted it a privilege and joy to be able to GREET, MEET AND EAT with friends and neighbors. Warren is blessed to have such a wonderful friendly and close community of fine folks. We definitely want to do this again. Hope you enjoyed the meal as much as we enjoyed preparing and serving it to you. Let's keep supporting these meal and fellowship events as they become available to all of us.

(Editors Note: My apologies to the person who sent this in - I missed it last week.)

THANK YOU

Clarence Myers and his family would like to express their sincere appreciation to the many individuals who helped care for and encourage Lavona Myers during her recent illness. We are especially grateful to the nurses and health care workers at the Methodist Memorial Home for their many hours of devoted and patient care of Lavona. We also wish to thank the neighbors and friends at the home for stopping by to visit and for sending encouraging and humorous cards that brought joy and laughter. Your kindness was a blessing to us all.

MARCH IS IRISH HERITAGE MONTH

President George W. Bush said it best in his 2003 proclamation of Irish Heritage Month. He said:

"Throughout our history, America has welcomed millions of Irish immigrants to its shore. These proud people arrived seeking a better life for themselves, their families, and future generations.

"Many courageous individuals came during the terrible years of Ireland's Great Famine in the middle of the 19th century, and their road to prosperity was not easy. They faced obstacles including discrimination and poverty. Despite these challenges, Irish Americans have risen to success in every sector of our society.

"Americans of Irish descent have played a vital role in shaping our history and culture. One-third to one-half of the American troops during the Revolutionary War and nine of the 56 signers of the Declaration of Independence were Irish Americans. Irish Americans explored our frontiers, built many of our nation's bridges, canals, and railroads. And their proud record of public service helped to fortify our democracy."

During Girl Scout Week March 12-18, Girl Scouting will be celebrating 94 years of providing a girl-driven program that reflects the ever-changing needs and interests of today's girls. Across Girl Scouts of Limberlost Council, nearly 10,000 girls of all ages are learning at troop meetings, building skills through individual and team activities, and giving back to the community through service projects. They are mentored by more than 2,000 adult volunteers who are helping them become leaders with a last-

ing sense of responsibility and accountability to their communities; local, national, and global.

"Every day, Girl Scouting is the voice for girls, and during Girl Scout Week we showcase the opportunities we provide to help every girl grow strong and realize her own potential," says Sherri Weidman, CEO, Girl Scouts of Limberlost Council. "Through Girl Scouting we are promoting all girls' perception of themselves as important, competent, and talented, because when girls are comfortable with themselves, they are more empowered to resist peer and societal pressure and follow their true interests in life!"

TURKEY EXHIBIT

The Sheets Wildlife Museum is highlighting in its rotational exhibit, a tribute to the wild turkey.

This display, featured through April 29, includes mounted specimens of the four subspecies most commonly found in the United States. These are the Eastern, the Rio Grande, the Osceola, and the Merriam.

The wild turkey, having been on the verge of extinction in Indiana in the 1930's, has been reintroduced in large part due to the conservation efforts of the National Wild Turkey Federation (NWTF). Now, the estimated population in Indiana has grown to over 65,000.

Turkeys are now found in 49 states, with only Alaska having none.

A white-tailed deer display that was recently the focal point of the museum's rotating display will return next October with an all new collection of outstanding area white-tails.

If you or someone you know has taken a special deer this past season and would like to have it in the display at that time,

please contact the Sheets Wildlife Museum, phone 356-WILD (9453).

The Sheets Wildlife Museum, just off US 24 and Rangeline Road at 200 Safari Trail, is open Tuesday through Saturday from 9 a.m. to 5 p.m.

SHOULD WOMEN BE MORE CONCERNED ABOUT GUM DISEASE???

As a woman goes through different phases of her life there is the potential for a greater risk of periodontal (gum) disease. From the onset, through teenage years, pregnancy and menopause, a woman's hormone changes can affect her oral health. The reason is that hormones alter the bacteria (plaque) that make their home in the mouth. Irritants or changes in the bacteria can make the gums swell and bleed (ex: pregnancy gingivitis). As the disease progresses, this can lead to further breakdown, pocket formation and the starting place for periodontal disease. Consequently, this can lead to bone loss, which can severely loosen teeth, cause pain, and eventually tooth loss. Other contributions to gum disease are smoking and diabetes. Gum disease is preventable. However, the old "wives tale" of losing a tooth for every pregnancy or the baby took all the calcium out of my teeth is simple not true. Regular brushing, flossing and trips to the dentist can reduce your chances of getting gum disease.

Another concern is crash dieting. Crash diets can affect the production of saliva in your mouth. Saliva is vital to your mouth's ability to cleanse itself. If you are on a diet or thinking about dieting, see your doctor and dentist to make sure that your physical well being or oral health are not being compromised.

COMPLETED BASIC

Navy Seaman Recruit Peter J. Vanhyfte, son of Gayle L. and Brian W. Vanhyfte of Warren, Ind., recently completed U.S. Navy basic training at Recruit Training Command, Great Lakes, Ill.

During the eight-week program, Vanhyfte completed a variety of training which included classroom study and practical instruction on naval customs, first aid, firefighting, water safety and survival, and shipboard and aircraft safety. An emphasis was also placed on physical fitness.

The capstone event of boot camp is "Battle Stations". This exercise gives recruits the skills and confidence they need to succeed in the fleet. "Battle Stations" is designed to galvanize the basic warrior attributes of sacrifice, dedication, teamwork and endurance in each recruit through the practical application of basic Navy skills and the core values of Honor, Courage and Commitment. Its distinctly "Navy" flavor was designed to take into account what it means to be a Sailor.

Vanhyfte is a 2004 graduate of Huntington North High School of Huntington, Ind.

ST PATRICK CELEBRATION

The Warren United Church of Christ celebrated St Patrick's day on March 12, 2006. The church's lounge was tastefully decorated with the color green, Pot of gold, balloons and shamrocks.

Everyone enjoyed the Irish celebration with punch, cookies, coffee cake, muffins, breads and Skittles while listening to Irish music. They even had a special guest of St Patrick to join the event. St Patrick had come into the church at the closing of service to pass out Werther Candies to everyone and then to lead them to the church lounge.

DONATE YOUR EXTRA CAR, GET A TAX DEDUCTION AND HELP A CHARITY

cars4charities has a unique opportunity for you to get a head start on your 2006 taxes and help one of over 250 respected charities at the same time. Donate that extra car you rarely use to cars4charities. You'll be eligible for a tax deduction of \$500 or what the car is sold for, whichever is greater.

cars4charities will handle the entire donation process, from start to finish. They'll turn the car into cash and send the entire net proceeds to the charity you select from their impressive list. The process is effortless. Simply log onto www.cars4charities.org or call cars4charities at 1-866-448-3487. The vehicle will be picked up in a matter of days, free of charge. cars4charities will provide you with all the appropriate tax paperwork you'll need to claim your deduction.

"This is a great program for people who want to help a charity, but aren't able to make a significant cash contribution," says Karen Campese, CEO of cars4charities. "They can donate a vehicle they no longer use, receive a valuable tax deduction, and support a respected charity. It's a win-win situation for everyone."

cars4charities accepts many cars for donation, old or new, running or not. To find out if your car qualifies, visit www.cars4charities.org or call 1-866-448-3487 (GIVE-4-US).
