RAMONA QUIMBY AT PULSE

L-R Lily Sabinske as Beezus and Mackenzie Parker as Ramona in "Ramona Quimby." Performances are March 7, 8, 9, 14, 15, 16 at 8:00 p.m. Tickets are \$12 for general admission and \$5 for children 12 and under. Reservations can be made online at www.pulseoperahouse.org or by leaving a message at (260) 375-7017.

Beverly Cleary's "Ramona Quimby" NOW PLAYING at the Pulse Opera House, Warren.

Lily Sabinske (left) plays Beezus & Mackenzie Parker (right) plays Ramona.

Recommended for the entire family! Ramona is Unpredictable. Exasperating. Boisterous and independent. Always aggravating her older sister, Beezus, constantly getting into trouble and sometimes "making a big, noisy fuss" when things don't go her way.

The characters and the material, adapted by Obie Award-winning playwright Len Jenkin, are as "today" as the morning newspaper. The problems facing the Quimbys, a middle-class Oregon family, are problems common to most families, and the family's togetherness in tackling the sacrifices and adjustments required when the father is unexpectedly fired from his job is a clear statement of traditional family values. Along with the discovery that life is not always fair, eventually Ramona and Beezus come to realize that sisters may not always agree, but they can be good to have around.

Ramona Quimby continues March 7, 8, 9, 14, 15, 16. Tickets are \$12 for general admission and \$5 for children 12 and under and are available at 7:00 p.m. in the lobby. Doors to the theatre open at 7:30 p.m. Show starts at 8:00 p.m. Online reservations can be made at www.pulseoperahouse.org or phone reservations can be made at (260) 375-7017.

The theatre is located at 127 1/2 Wayne Street, Warren, IN.

MDA SHAMROCKS

MDA Shamrocks are back! Get your green and gold Shamrocks in time for St. Patrick's Day, and show your support of MDA's mission to provide help and hope to families in your community affected by muscle disease.

The nation's largest, longest-running and most successful Saint Patrick's Day fundraising campaign continues to grow and provide for vital resources through the Association's research and services programs. You can purchase your Shamrocks now through the end of March.

"The MDA Shamrock point of purchase program has been warmly embraced by retailers and their customers for many years, raising needed funds to support our lifesaving mission and programs in research and health care services," said MDA President and CEO Steven M. Derks.

"Customers can feel great knowing that by purchasing Shamrocks, they're supporting research, health care services, education and advocacy that

directly impact the health and well-being of children, adults and families facing one of the more than 40 neuromuscular diseases, including muscular dystrophy and ALS," Derks added. "And, retailers that support MDA through Shamrock sales can feel great satisfaction in knowing that by using their business and sales platforms they are allowing citizens and customers to support MDA and give back to their local communities."

Anyone can lend support by donating \$1 for a green, \$5 for a gold, or more for a platinum Shamrock. The Shamrocks campaign turns even more significant when donors sign their name to a Shamrock which then is displayed in the store as a decoration and a symbol of pride. The thousands of creative displays in retail locations nationwide are each an impressive show of community support for MDA's mission.

With more than 15,000 participating retail locations throughout the U.S., it is easy for customers to make a difference for families living in their area who are dealing with the daily challenges of living with a muscle disease. A Shamrock purchase helps to provide for MDA clinics, where individuals are seen by experts in the neuromuscular disease field, hundreds of support groups and local summer camps for kids ages 6 to 17. Additionally, it fosters hope through MDA's worldwide research program.

Some of the retailers and restaurants helping with partnership and support include: Applebee's, Burger King, CITGO Petroleum Corporation, Jiffy Lube International, Kroger, Lowe's Home Improvement, 7-

Eleven and Valero Corner Stores.

The Association's Shamrocks program started in 1982 in Grand Rapids, Mich., and was elevated to a national program a year later. Every year the program has received record results with more than \$20 million raised in each of the last two years. In 2012, \$23 million was raised.

"Our Shamrocks program is an extraordinary example of how a simple campaign can make an impact on many people's lives," said MDA Executive Vice President and Chief Business Development Officer Kevin Moran. "\$1 and \$5 Shamrocks sold across the country add up to millions, making it possible for MDA to provide families fighting muscle disease with help for today and hope for tomorrow."

KUDOS, KICKS & KARATS

ARE YOU MAD TODAY? ARE YOU HAVING FUN

by V Neil Wyrick

In the spring of 1894, the Baltimore Orioles baseball team was playing in Boston. Halfway through the game, an Orioles player, John McGraw, got into a first class fight with Boston's third baseman. Soon, all the players on both teams exploded onto the field and fists began to fly. Soon the fight spread to the stands. Then someone set the stands on fire. The fire spread - when it was over 107 buildings in Boston lay in ashes.

To find anger is to lose reason. It paves the way for many regrets and continuous acts of foolishness. One can seldom be proud of what they say or do when angry. is like a city that is broken down and without walls."

"Daddy," the little boy asked, "How does war start?" "Well," answered his daddy, "In World War I the Germans marched into Belgium and..." His wife interrupted, "You're wrong. The Archduke was assassinated. You've got the wrong war."

"Who did our son ask? Just shut up and stay out of this." Now his wife was beginning to steam, "If you weren't so dumb I wouldn't have had to say anything." As their anger escalated the little boy broke in, "You don't have to say any more. I have the answer."

Will Rodgers once commented, "Anyone who flies off in a rage is going to have a very rocky landing."

Perhaps an oyster is one of the finest examples of patience in action. It takes an irritation and makes it a pearl.

restrictions are holding you back? Then the 2013 Cookie Share Program is for you! With this program, your donation to the Girl Scouts provides cookies to troops and personnel, both locally and around the globe. Girl Scout Cookies have warmed the hearts of so many servicemen and women, and we salute you in helping us bring smiles to our military!

The Girl Scout Cookie Program is the largest girl-led business in the country and through cookie program activities, girls learn how to plan, build teams, speak up, make decisions, solve problems and manage resources. Because girls are the main beneficiaries of all Girl Scout cookie activities, these skills help girls learn to be leaders in their own lives and in our communities. "We don't know of any other youth-oriented activity in which girls manage, and make their own decisions, on how to utilize the money they earn to achieve their troop projects and goals for their troop or individual pathway activities," says Connie Frederick, GSNI-M Product Pathway Manager.

Remember, time is running out to get your Girl Scout Cookies before they disappear for another year. The 2013 Cookie Program only lasts until March 12th. If you don't know a Girl Scout in your area, visit www.gsnim.org to find a Girl Scout Cookie Booth near you. Don't forget...visit your local Walgreens on Saturday, March

9th, from 10:00am to 2:00pm, for Girl Scout Cookie STOCK UP SATURDAY! For additional 2013 Cookie Program information, please contact Connie Frederick, Product Pathway Manager, Girl Scouts of Northern Indiana-Michiana at 800.283.4812.

FESTIVAL 2013

This year's festival will be July 4, 5, 6 and 7th. The theme for the festival is "Hometown Memories." Some Hometown Memories that I remember were the go-kart street races, pet dressing contest, the Wrong Show, Canoe Races, Championship Wrestling and that hilarious kitchen band by the mothers of World War II.

The Pink Slipper shows were great and I miss having them during the festival. Warren had, and still has a tremendous amount of talent. In the early 70's some of the acts in the pink slipper show were Salamonie Ernie, the Roaring Twenties Chorus Line and the Tons of Fun. Also, there was Sweet Sue, Saucy Sharon, Little Edith Ann and the Bobsey Twins. Back in the early

festivals, Warren enjoyed the talents of Jim and Sue Morrison. They wrote and directed such plays as "The Butternut Tree" and "The Winds of Hope." These plays were performed by local talent.

Everybody has memories of their town, with it be in Warren or any other town. I hope our festival theme will get you to thinking about your "Hometown Memories." Next festival meeting will be Monday, March 11 at the Sportsman Club 6:30. Come and join in the fun planning the festival. Get your events in as soon as you can. Programs will go to the printer the end of May. See you Monday.

Hunts will also take place at Salamonie and Mississinewa lakes.

The number of hunters allowed on each property will be limited. Interested hunters must register in person or by phone with the property they wish to hunt.

Hunters should register between 9 a.m. and 3 p.m. local time between March 18-22 or March 25-28. Hunters can register for only one property.

Those wanting to sign up for Deer Creek, Fairbanks Landing, Chinook, Hillenbrand or Minnehaha hunts may do so at Goose Pond FWA. Those wanting to sign up for LaSalle FWA may do so at Willow Slough FWA.

At properties where the number of registered hunters exceeds the spots available, a drawing will be held on April 1. A youth hunter may be drawn for either one or both hunt days, depending on the number of applicants. All applicants will be notified of drawing results by mail.

Applicants must possess a 2013 Youth Consolidated Hunting & Trapping License, a 2013 Non-Resident Youth Spring Turkey License with a gamebird habitat stamp privilege, or Lifetime Comprehensive Hunting License. Apprentice hunting licenses of the types named above also may be used.

When registering a youth for one of the hunts, make sure to have the type of license being used for the hunt and the license number.

Hunts will run one-half hour before sunrise until noon at properties in the Central Time Zone, and one-half hour before sunrise until 1 p.m. on properties in the Eastern Time Zone.

Youth hunters who are selected for the hunt may check in at any time each day until the end of legal hunting hours for that property. Properties will not have a daily "no-show" drawing. Hunters interested in possible unfilled quotas at a property should phone that property for more information before showing up.

During youth wild turkey season, hunters under age 18 on the day of the hunt can take a bearded or male wild turkey. The youth must be accompanied by someone 18 or older.

The youth hunter may use any legal shotgun, bow and arrow, or crossbow. The adult accompanying the youth hunter must not possess a firearm, bow and arrow, or crossbow while in the field. The adult does not need to possess a turkey hunting license unless the youth is using an apprentice license, or unless the adult is calling turkeys.
