GEORGE & CHERYL - NEWEST PIONEERS

This years Samuel Jones Pioneer award winners – George & Cheryl DeWeese - have served the community in many ways. In addition to running two businesses in downtown Warren for over 25 years, they have been very active in the community.

Cheryl is very active in her church. She is the choir director, part of the Thursday night community suppers, the kitchen committee, the decorating committee and SOS. For the Liberty Center Parks she was the chairman of the fish fry and on the music festival committee. She has also served on the Board of Directors for the Warren Chamber of Commerce. You can always find Cheryl working behind the scenes at the Salamonie Summer Festival. She has served on many committees, most notably chairing the rodeo, which she put mine years of hard work and dedication into. She announced the festival parade for many years and was a post Festival Queen. She was also an active member of Kiwanis, again willingly serving on many committees. She's been active at the Pulse Opera House, to always willing to help out in any way possible. She has appeared in several shows. Key among her activities, tough, is attending her grandkids activities. She doesn't miss many of them! Her most recent contribution to the community was her involvement with the petition to save the Salamonie School.

George is always behind the scenes, ready to help anyone any time day or night. He takes care of the elderly who need rides, equipment, food, etc. If anyone is down on their luck, George is there. He's serves on many committees at his church. He was a board member at the Christian School in Bluffton for several years. There are few organizations who aren't recipients of George's generosity. He provides water, refrigerators, freezers and etc. for too many organizations to list.

George and Cheryl are greatly deserving of this award. They have done all of the above while raising four boys, Danny, Jacob, David and John. They have five grandchildren, Uriah, Aiden, Keegan, Laney and Ellie.

ANNIE GET YOUR GUN

Opens July 15 at the Pulse Opera House

This summer the Pulse celebrates its 25th season with a rousing tribute to the Wild West Shows of the late 1800's. Annie Get Your Gun tells the story of how the famous sharpshooter Annie Oakley met her husband Frank Butler. Set in Buffalo Bill's Wild West Show, it features music by Irving Berlin, a amazing local talent and lots of heart.

Stacia Brinneman is playing Annie Oakley, the role made famous by Ethel Merman and recently reprised by Reba MacIntire. Travis Fisher is playing the love of her life, Frank Butler. Joining them are David Templeton as Buffalo Bill and David Dean as Pawnee Bill. There is a local tie with both of these showmen. Buffalo Bill spoke at the Opera House nearly 100 years ago. Pawnee Bill brought his famed Wild West Show to Huntington, Bluffton and Warren. It was reported that after the show came to town, boys everywhere were wearing cowboy hats and bandanas and pretending to shoot everything in range.

The score contains many favorites songs such as "No Business Like Show Business," "You Can't Get a Man with a Gun," and "They Say That Falling in Love is Wonderful." This show is highly recommended for all ages. It's a perfect show to introduce children to the joy of live theatre.

The show opens July 15 and

runs through August 6. Tickets may be reserved online at www.pulseoperahouse.org by leaving a message at (260) 375-7017. All shows begin at 8:00 p.m. Lobby doors open at 7:00 p.m. and theatre doors open at 7:30 p.m. Tickets are \$12 for general admission and \$5 for children 12 and under. Those bringing in an item for the food pantry will get \$2 off the price of admission (One item per ticket. Not good with any other promotion.).

KBC BOARD OF DIRECTORS HONORED

This is the Third Annual Community Service Award. This year it will be awarded to W.A.R.R.E.N., INC. or the Knight-Bergman Center Board. Would all past and present Board of Directors please come forward?

The Warren High School building was constructed in 1925 and remained an active twelve grade school facility for the residents of Salamonie Township until 1966. From 1967 to 1982, the building served as an elementary school for the Huntington County School Corporation.

In June of 1982, W.A.R.R.E.N. Incorporated (Warren Area Residents Recreational and Educational Needs) was formed with the purpose of acquiring the school to be used as a community center. The building was re-named the Knight Civic Center in honor of Clifford Knight's significant investment in the facility. The structure briefly served as a school again from January 1993 to June of 1994, when the Southern Wells School

FESTIVAL THANKS!

As the 44th Salamonie Summer Festival has come to a close, I would like to thank ALL of the HARD WORKING, DEDICATED Committee members and Volunteers who make it all possible. Vickie, You are our fearless leader and for the last 10 years the festival has only grown and grown to be an AWESOME event that people now travel from MILES around to attend. I can't thank you enough for your endless hours (ALL YEAR AROUND) of planning, meeting and dealing with ALL that you have to when you plan a festival. I want you to know that the POSITIVE will ALWAYS out weigh the negative!

Cammy, I couldn't have pulled off the Parade without you! You are the most ORGANIZED person I know!!! Thank You for fielding the "phone calls and emails" not all of a positive nature... Thank You for walking me through step by step. It takes A LOT of behind the scenes work and MANY volunteers to make it happen!

To ALL my volunteers that stepped up to help, Miranda, Melissa, Shari, Mike, Phyllis, Neil, Kim (I hope I haven't left anyone out). THANK YOU!!!!!! You jumped in with both feet and did an awesome job! It does my heart good to know we have such dedicated members of the community to work together as a team for a goal bigger than just personal gain!!

Gary Yount, there aren't enough words.... Thank You for doing anything Cammy or I asked of you without hesitation.

My Judges, Lori Buzzard, Jane Trickle and Nick Gray, THANK YOU for stepping up and saying YES!

Scott Nedburg and Mark Vickrey, My Emcees, Thank You again for announcing the parade! You two work very well together and I know the crowd enjoys your commentating!!

Dale Tuner, You again come through for us between spraying under the tent and loaning us your tractor and trailer for the Veterans. It is ALWAYS appreciated!!

My Boys, Eli and Brit, Thank You for helping in every way you could. By running errands, helping put up numbers, Helping put up fence, keeping me sane with your hugs everyday... I LOVE YOU!!!!

My husband Noel, Thank You for letting me vent and be a crazy woman and still loving me anyway!! Thank you for the help you were able to give even though you have been working like CRAZY!

Scott and Gina, Oh my, What a job you two do with the trash pick up! THAT is dedication!! You both work so hard to keep Warren looking clean and beautiful during the Festival. It's definitely NOT the most Glamorous job, but one that has to be done. Thank you, Thank You, THANK YOU!!!!

To the people of the Warren Community, Thank You for coming out to enjoy the festivities! We work hard to give you something to look forward to every year. Thank You for the

MY TOWN and Yours

BY DENNIS STROUD

The subject is Rear Admiral Howard Harrison Good, known to his friends as "Heinie".

Admiral Good was born in 1888 and lived a couple of miles north of Warren. He went to high school in Warren and graduated in 1906. Heinie worked at the local paper for two years not knowing what he wanted to do. One day in 1908 he surprised his parents by giving them papers to sign for him to go to the naval academy at Annapolis. His family or friends didn't know he was even interested. He had already taken the test and his congressman had given him appointment to the academy.

In June of 1908, he went to Annapolis but wasn't quite old enough for the academy so he was placed in a win school program until the fall when he was eligible. While there his roommate was Rear Admiral Richard Byrd, who was a pioneer aviator, polar explorer and organizer of polar logistics. Admiral Byrd was a recipient of the Medal of Honor.

Heinie graduated in 1912 as an Ensign. His first ship was the USS Nebraska, then he went to the USS Illinois and then back to the Nebraska in a four year span. From 1916-1918 he spent time on the USS Reed. In 1918, Lieutenant Good was sent to Washington to serve in the Bureau of Navigation. In 1920, he spent time on the destroyer Montgomery which took part in fleet operations from Alaska to Panama. Then he went to the Robert Smith which

cruised along the west coast of the United States and Mexico. From there he was commander of the USS Renshaw for a short time.

In 1926, he went to China aboard the USS Truxtun which served with the Asiatic fleet patrolling the Yangtze River. From 1929 to 1931 he was back in Washington and the Bureau of Navigation. 1931 to 1933, he spent time on the USS Louisville. In 1936, it was back to China. After the stint in China, it was back to Washington and the Bureau of Navigation. While there he was giving the opportunity to suggest a name for an oil tanker being built. The "USS Salamonie" was chosen by the Secretary of the Navy at the suggestion of then Captain Howard Good.

There will be more of Admiral Good's career next week.

AMAZON JOHN VISITS THE LIBRARY

On Saturday, June 25th, Amazon John and his animals visited the library for the half-way point of the Summer Reading Program: Wild About Books—Animal Tales. Report of the Food Pantry, Mark reported from the last meeting. Rose is doing a great job in getting Food out to the people in need. The menu was revised. If we do not have the food such as coffee, we will not be buying it due to the cost. If these items are not donated then we will have to do without. When our donations are down, we should live within the budget.

THE UPTOWN GARDENER by Ruth Herring

With the festivities over for another year our town has returned to normal. Hope everyone had a great time and enjoyed the activities. At our house much of it was enjoyed from the front porch.

My mini garden of one row is doing well and I see some blooms appearing on the green beans so hopefully we can enjoy some before long. Finally got the mulch down around the house which was in bad need of. I have enjoyed the down scale of garden and flower beds this year and by not participating in the farmers market I have some nice extra free time.

I was thinking back of what our celebrations of July 4th was like in my early years. Mom usually fixed her famous fried chicken which she fried in the huge and very heavy iron skillet and had potato salad made with fresh dug potatoes fresh sliced tomatoes many times they were the first of the season so they tasted great and usually some kind of pie. Later we would make a freezer of ice cream and have chocolate cake with rich creamy icing. We would sit out in the yard and have it about dusk. Then we kids would each get a jar and have a contest on how many lighten bugs each of us could catch and put in our jar.

The one with the most in their jar got the prize which was being relived of one chore the next day. I guess the lightening bugs were took the place of today's fireworks which was almost unheard of to us. It was a fun day in our own life style seventy years ago that we looked forward to.

If the holiday came on Sunday the prize chore was given a day later as Monday was wash day and it was roll out of bed early and pump water for the washing and sometimes it meant going to the garden and gather in whatever was ready for canning. Summer was always a busy time for us. Here is a nice fruit salad to have during the hot summer months.

Boil 1 cup sugar and 1 cup water. Let cool and add one 20 ounce can crushed pineapple and a 20 ounce can of pineapple tidbits with juice. Add 6 diced bananas, 1 can mandarin oranges drained, 1 can bing cherries drained, 1 jar maraschino cherries drained and cut in fourths add one 12 ounce can frozen orange juice thawed. Mix all well and if desired you may add diced peached, apples, grapes or any other fruit. Refrigerate or freeze in containers. Makes about a gallon

Enjoy summer!

all of them at one time as first priced. After discussion a motion made by Ron that we do as many as possible and the most needed first within the budget of \$6,000.00, Bonnie seconded and motion carried.

Not sure if this is the year to reseal the gym floor or not, Rosemary is to check with David Dean. Bob and Denny are going to see if they can tighten the floor or down. There seem to be many "Soft" spots.

Ditch is still on hold. State did not show last week as they said they would. We need to find out who is responsible for the ditch. Town, KBC, State? Ron will be talking to Jeff Daugherty regarding the many sink holes that have appeared this year. It was also said there needs to be a couple of loads of dirt brought in and spread where the SSF has their Derby. It is getting lower and holds water whenever it rains.

Karen announced that the T-Bone 4-H club did some community service hours here at the Center. They picked up all over the grounds.

New Business:

Shelly and Ned report on a meeting that the officers had last week with Mrs. Hulls Enrichment Class from Salamonie. They presented their project to us, asking if they could repair and add to the playground or as they called it "Our KBC Park". They would like to reseal and reline the basketball courts, paint and repair the other slides and swings. Maybe add some trees, benches, and other play equipment. Rosemary made a motion that we allow them to do what they can under our guidelines, seconded by Janice and motion carried. Ned will get in touch with Mrs. Hull that they can continue with their planning and work.

Shelly announced that Jimmy Asher and Joan Boyer were elected to fill the 2 empty seats

on the KBC Board. She will be sending letters to all that sent applications.

Shelly announced that the KBC board will be recognized at the Sam' Breakfast July 1st. If you can attend please call Ruth Herring.

Janice asked if the Warren Church of Christ could have their annual Water Slide day on the hill July 16th. Ned made a motion to allow them to have their water slide day, Bob seconded, motion passed.

Rosemary mentioned that she was wondering if others had trouble making the 5:30 meeting time. A motion to change the meeting time from 5:30 pm. To 6:30 pm. Starting with the next meeting July 18th 2011.

was damaged by fire. For this act of community cooperation the Warren and Southern Wells communities received the national "Spirit of Cooperation Award", which was given in Midland, Texas. Finally, in 1992, the facility was re-named the Knight-Bergman Center in honor of donations received from the Garnet and George Bergman estates.

Today the building houses office space, meeting space for the Sigma Phi Gamma Sorority, the U.S.S. Salamonie Museum, Salamonie Valley Museum, the Bread of Life Food Pantry, the Bargain Basement and numerous community spaces including a gymnasium, commercial kitchen, auditorium and public restrooms.

Since becoming a community

center, renovation work has been completed including the replacement of existing steel framed windows with insulated vinyl windows, the installation of a rubber membrane roof system, various interior finish upgrades and the tuck pointing of brick masonry systems.

Given the age and complexity of the building structure, there is also a growing list of building conditions needing repair or improvement. Some of these items, especially issues related to active water damage, need to be addressed in the near future to prevent the further deterioration of existing building systems.

The Knight-Bergman Center currently charges minimal fees to rent the facility, but is barely able to generate enough revenue to pay operational costs. Routine maintenance is, in fact, performed by board members and volunteers due to a lack of funding for basic janitorial services. With annual heating costs averaging \$24,000.00 to \$30,000.00, the Board of Directors is seeking a solution for replacing the existing heating plant that will result in significant efficiencies to lower utility costs.

The building site, size, location and features make it ideal for supporting a wide variety of community functions. Careful planning and strengthened community investment will enable the Knight-Bergman Center to cultivate the rich history and culture of Warren while expanding its role as an important community anchor.
