TRASH AT THE CEMETERY

In recent days, it was brought to our attention that someone is using the dumpster at the Woodlawn Cemetery for their personal trash. Please do not use our dumpster for your personal use. We pay by the cubic yard when we have to dump the container and when you put items like roofing shingles and tv's in the dumpster you take up a lot of room that we have to pay for. These are also items that cannot be put in the landfill so, therefore we have to dispose of your items at a cost to us.

The Woodlawn Cemetery is run on a tight budget. It is very costly to keep the lawns mowed, the cost of the tree removal and other expenses that come our way, including the emptying of the trash dumpster.

Again, we ask that you do not use the dumpster for anything other than trash and disposables from the cemetery. Anyone caught disposing of anything other than trash or disposables from the cemetery will be prosecuted.

THE UPTOWN GARDENER
 by Ruth Herring

Today has been a nice sunny day but chilly, at least the sun is shining. About town you see the beautiful spring flowers blooming and so nice to see. Planted some lettuce and spinach, and it is coming up, can't wait till I can have some nice fresh greens from it. That will no doubt be the extent of my gardening this year, as you age it seems so much easier to go to store and select fresh vegetables although the farmers market will soon be opening and what a great place to purchase nice fresh produce and other goodies.

I have been working on the upcoming garage sale here at the town homes and villas, our weekly sewing group is going to have items from the sewing room that we are over stocked with and I volunteered to bring it to my town house for the sale. You might call it a major cleaning house.

I am hoping that next week it will be warm and out of frost danger to get some flower beds planted. I am most anxious to get the plants I held over the winter out of the house and in the ground. I have some new plants coming to help the beds look a bit nicer; so ready to get everything in ground and set back relax and watch it all grow. My dad always wanted all the crops and garden in the ground by Mothers Day and most often it was done. It seemed that by beginning of May the soil was always warm and we would be barefoot planting the garden.

and Robert Sliger being vice president. Sharon Williams will continue as treasurer along with Lou Ann Shafer as secretary.

Tree stump removal will be taking place this spring. Ned was to get with the business involved in removing the stumps. Meeting was adjourned.

April 7th meeting notes:

The Woodlawn Cemetery board meeting was held April 7th at the home of Guy Jackson. Present were Ned Ruble, George Kreigbaum, Bruce Souers, Kevin Jackson, Treva Flemming, Sharon Williams, Robert Sliger, Mark Stuckey, Guy Jackson and Lou Ann Shafer. Larry Poulson was unable to attend as he is still in Florida.

The meeting was called to order with the minutes of the previous meeting read and approved, along with the treasurers report.

A request from Ellen Laymon asking permission to plant a tree in the cemetery. After short discussion it was agreed that with the board approval this could be done. It was suggested that Bustos Circle was one area and another was planting one at the south side of the south drive. It was decided that one would be planted on the east end and/or the west end. If a second tree was needed for balance then Lou Ann Shafer will purchase the other one. The board would oversee and name the type of tree and that Ellen would have first choice on the area she prefers.

As reported last meeting the tree man was to be contacted and stated he would begin working on the stumps and would go ahead

and remove the remaining trees that need to come down. Bruce is still interested in the good wood from these trees and it will be up to Ned and Bruce to work this out. The extra expense of taking the trees down was once again taken care of by a generous donor. Thank you!!

Mowing contracts were presented by Robert. He had received three with one calling to cancel his bid due to health reasons. The two bids were opened and both bids were very similar. After a written vote was held the contract was given to McGuin's Lawn Service for the 2015 mowing season. Robert and Guy were to meet with Tim McGuin to sign the contract and it was taken care of on April 8th.

Addresses still need to be obtained from the cards and a next of kin name needs to be added to the cards. Treva and Lou Ann will be working on this starting after the festival. Meeting was adjourned.

JACKSON BANQUET

The 77th Annual Jackson Center High School Alumni Banquet was held April 19 at Southern Wells High School.

President, Warren Morton, welcomed the members and guests, followed by all singing the National Anthem. Warren then gave the Invocation and the meal was served by Boehmer UM Church members.

A short business meeting was held and a memorial given by Rita Blinn and Jane Lieurance for those who died since last year's banquet.

Entertainment was provided by North of Hope, a great group from Bluffton.

Next years banquet will be April 16th.

ZOO OPENS

The Fort Wayne Children's Zoo opens for the 2015 season on Saturday, kicking off a summer-long 50th birthday celebration filled with new exhibits, special events, and an adorable baby Sumatran orangutan.

"With so much to celebrate, 2015 will be a milestone year for

the zoo," says Zoo Director Jim Anderson. "We can't wait to share it all with our guests."

Sumatran Orangutan Baby

Asmara the baby Sumatran orangutan is sure to capture hearts when she makes her public debut this season. Born at the zoo in November, Asmara represents a critically endangered species on the brink of extinction. "This little orangutan will help connect people to our important conservation work," says Anderson. "Our guests will be able to watch her grow and develop all season long."

New Exhibits

Phase 2 of the Australian Adventure renovation opens this season. The former aquarium exhibit is reborn as The Reef, and will open in late May. The renovated display features new theming, new fish including venomous lionfish, and a completely renovated 17,000-gallon coral reef tank. "We drained the tank, rebuilt the artificial coral, and buffed decades of tiny scratches off the 27-foot-long acrylic window," says Anderson. "The result will be a sparkling showcase of this diverse ecosystem."

Hundreds of pilchards, a Pacific schooling fish, and black-tip sharks will move into the 50,000-gallon Shark Tank later this season.

Later this summer, Stingray Bay will bring this popular aquatic species to the zoo. Housed in the former Nocturnal Building, Stingray Bay will feature a wide 20,000-gallon pool teeming with two-foot-wide stingrays. A July opening is planned for Stingray Bay.

50th Birthday
The zoo turns 50 years old this summer and many special activities will mark this milestone. A Birthday Party on July 1 will be a highlight. The zoo is the theme of the Three Rivers Festival parade on July 11, and will feature a one-of-a-kind animal-themed float designed by zoo keepers. Special

activities, promotions, and events will celebrate the zoo's 50-year history all season long.

Guests can continue to enjoy old favorites like Croaky the Frog, the Lion Drinking Fountain, and Monkey Island, all of which have been at the zoo since it opened on July 3, 1965.

"The zoo was built by the community, and continues to be generously supported by our community," says Anderson, noting that the non-profit zoo receives no tax funding. "Our birthday gives us a chance to thank our members and friends for 50 years of support."

Guest Amenities and Programs "With more than 540,000 guests each season, we devote significant resources to providing excellent guest experiences," says Anderson. In 2015, guests will enjoy expanded seating at the renovated Tree Tops Café in the Indonesian Rain Forest, as well as new menus in the zoo's three restaurants.

New VIP Experiences take guests behind the scenes to help zoo keepers feed the animals. For additional fees, guests can step

onto the beach to feed the penguins, toss fish to the pelicans, create treats for the giraffes, or feed the jellyfish.

The new Parkview Physicians Group Pavilions will open for business this spring. The facilities can be rented for group picnics and outings.

Conservation

By participating in cooperative management programs for more than 90 species and taxa, the zoo is helping to preserve genetic diversity in endangered and threatened animals from around the world, including Sumatran orangutans, reticulated giraffes, African penguins, black-breasted leaf turtles, and Sumatran tigers.

"Our Kids4Nature program invites every guest to participate in conservation at the zoo," says Anderson. Guests receive a recycled metal washer at the ticket booth, and use it to "vote" for their favorite conservation project. "Last year, our guests helped direct more than \$80,000 toward important conservation projects around the world," says Anderson.

News, updates, and zoo events can be found on the zoo's website, kidszoo.org.

This time of year I enjoy fresh salads and I often make one that is my favorite of shredded lettuce or it torn up small and place on it drained mandarin oranges, pineapple chunks, dried cranberries, pecan pieces, red onion, and cooked chicken or ham pieces. I make my own salad dressing of 2/3 cup sugar, 2 teaspoon lemon juice, 1 teaspoon powdered mustard, 1 small diced onion add this all to a blender with 1/2 cup white vinegar blend on medium high speed for 1 minute reduce speed to low and slowly add 1 cup vegetable oil (I use canola oil) and blend till oil is well mixed then add 1 teaspoon celery seed and blend in well. Keep refrigerated.

I also make a French Dressing we all like 1/4 cup grated onion, 2 teaspoon paprika, 2 cup sugar, 1/4 cup lemon juice, 1 cup catsup, 1 cup vinegar, 1 tablespoon celery seed, mix well in blender, then slowly add 2 cups oil and continue blending till well mixed. (about 2 minutes on medium speed) This makes about 2 pints. I usually make half recipe at a time. My family likes it on fried potatoes.

Have a wonderful spring time!
