## HONOR OUR FLAG

In the United States, Flag Day commemorates the adoption of the flag of the United States on June 14, 1777.

In 1916 President Woodrow Wilson officially proclaimed June 14 as Flag Day; in August 1949 National Flag Day was established by an Act of Congress.

All over the United States special ceremonies and parades will be held in observance of Flag Day.

There will be a special event held at the National Cemetery on the VA grounds in Marion, Indiana at Noon on Friday, June 12, 2009. A parade is planned with participants dressed in period costumes marching behind a horse drawn carriage cortege, a "Lady in Black" riding sidesaddle, a fly over, special speakers, etc. Those attending should use the 38<sup>th</sup> Street entrance. For more information, contact Mary Jerger at 765-998-0338.

## DEAR FRIENDS OF HUNTINGTON NORTH HIGH SCHOOL,

Two of the Life Skills we expect our students to demonstrate are Integrity and Courage; to act according to what's right and wrong, and to act according to one's beliefs. We are especially proud of 19 Huntington North High School seniors who have freely chosen to defend our way of life by serving in the Armed Forces of the United States.

Only .007% of the population of our nation currently serves in the military. Putting it in that perspective, we can see how much we rely on the courage and integrity of so few to protect and defend so much. It is all the more impressive that, even in a time of war, our students elect to put on the uniform of our country.

Recently we recognized Memorial Day. Hopefully each of us found a moment to think on the sacrifices made by countless Americans who have given the last full measure of devotion to defend Freedom. It has been said that, "Courage is not the absence of fear, but rather the judgment that something else is more important than fear." We are proud of the courage these 19 students demonstrated in choosing to serve our nation in the armed forces. The values represented in the mottos of the uniformed services are consistent with those modeled in our schools and are truly "Life Long Guidelines".

"Semper Fidelis"....Always Faithful - Marines

"This We'll Defend" - Army

"Non Sibi Sed Patriae" - Not for Self, but Country - Navy

"Service before Self" - Air Force

"Semper Paratus" = Always Ready - Coast Guard

Pictured above are Seniors enlisting in the military (from left to right) Sam Witkamp, Casey Ward, Dan Degroff, Jason Morrison, Justin Hayes, Shawn McCoy, Jessica Hunt, Shelbie Smart, Kristen Alexander, Jamie Kuehl, Alex Dean, Ben Whitman, Alex Hoch, James Garwood, Anthony Ashbaugh, Jerry Lahr, Joe Dyer, (not available for photo, Blayne Brooks).

Jeremy Gulley

and join us for an inspiring evening.

Thank you to all who responded to my plea for volunteers. Come on down, shop awhile and say hello to Nancy Surfus, Cherie Helms, Bethany Mann, Janet Fry and the Weight and Sackett kids. We would also like to send a big thank you to Barbara Breedlove and Joyce & Pete Sorg for bringing us treats and filling in when needed and to Debbi Sackett's girl scout troop for their help. We are still in need of extra staff so if you have a Friday or Saturday morning or afternoon available please join us! Stop by or call Jan at 375-2451 or Nancy at 375-3118 and we'll put you on the calendar.

### ROAD RUNNERS

We appreciate the response we have had to our new Road Runners Bus trips and we're having a lot of fun doing them. We've been to Shipshewana for a day of shopping and visiting attractions there; to Shecklers Pickle factory; a Quilter's Day trip and just took a group over to Decatur, IN to the Strawberry Fling event last Friday and the trip to Boggstown Cabaret this week! We are full on our trip to Beef and Boards in August but still have room for the Bearcreek Farms trip July 18 to hear the Letterman and enjoy a great meal.

Another trip we have coming is to the Creation Museum, Petersburg, KY, seven miles west of Cincinnati Airport. We are still working on the complete price for this one, but wanted to let you know we plan to go and you can let us know of your interest. Group rate is \$16.95 age 13-59 yrs, \$12.95 age 60 + (regular adult rate - \$21.95) plus our bus expense. If you take your child it's \$8.95 age 5-12 and children under 5 are free. This could be a trip you could go as a family. Our group rates will save a lot. Other trips are being planned and we hope this bus ministry can be a blessing to those who like to travel and have good fun together with others with like interests.

### RED HATTER REPORT

Our Queen Mum invited us to a unique get-together this afternoon, entitled a "Shop'n Swap". It was a ball, she was hoping to find homes for her countless RH'er items and ended up with more than she started out with! What an unusual assortment of "goodies" and everyone carried home one (or more) of them. Refreshments were delightful and the party was enjoyed by Dianna Bradford, Fritz Boxell, Martha Buzzard, Freddie Couch, Jo Chatham, Taya Decker, Chris Knox, Mary Palmer, Becky Parker and our hostess, Lilly Nutter. Priceless fellowship.

### KBC MEETING

The K.B.C. board met May 18th at the center. Those attending were Bob Pond, Ron and Bonnie Boxell, Janice Jordan, Rosemary Zeller, Shelly Boxell, Denny Stroud, Jerry Boyer, Karen Herr.

Meeting was called to order by president Shelly Boxell. Minutes were reviewed and approved as submitted. Financial report was reviewed. Discussion was the water bill as two water leaks had been reported and fixed. Also the boiler has been shut down for the summer. The report was approved.

Under old business Janice was reminded to send a Thank You for the new copier donated to the center. Bob reported on the Preservation fund, it is going good, but not as they would like, they will continue to reach out into the community for help. The heating system is in great need to be replaced and we need to get things in order to be able to get some grants to help finance this big project. Baseball issues were brought up, a rep from the league was to be present but no one showed to talk about these concerns. The bargain basement is in need of more help. An ad is in the papers. The gates to the upper level are on hold. The donation of the organ to the center is on hold. Carpet cleaner has not

been picked up yet. The Alumni (Jefferson and Warren) both reported good turn outs. Thanks to the Monday Morning work crew, the building was clean. The flowers outside were a nice attraction to the Alumni coming. Thanks to Jerry and the crew. It was noted that a couple of outside doors need some attention. Denny will attend to this matter. Gym lighting is on hold. Solid Rock is using one of the up stairs rooms for storage. Salamonie Cheerleader training is renting a room for practice this summer. On hold is SSF Committee Charge, Incomplete outside work by Elmer Miller and Flag lighting.

New Business: It was reported that Denny has made many improvements in the Salamonie Historical Museum. A note from Life Line was read, it noted the number of medical problems that they were able to find and thanked us for the use of the building. Kurt Day from the town says they will be taking down a couple of trees that are a problem to the community and the building. A sink in one of the restrooms down below the hill needs to be replaced a motion was made and seconded to get this work done. Yard work will be completed. Grass is growing where we had vandalism last winter, so the lawn will be replanted in the next few weeks. Next meeting will be June 15th. This will be our annual meeting with election of officers. All area members are invited to come and be apart of this meeting. Meeting adjourned.

**COUNTY JUNIOR LEADERS PLANT FLOWER BED AT  
HIER'S PARK**

The Huntington County 4-H Junior Leaders recently met to clean-up and plant a flower bed at Hier's Park. This flower bed, located next to the small office building, contains perennials and annuals to attract butterflies to the area. The junior leader organization has maintained this area for a number of years, but recently focused the plants used in this flower bed to support the monarch butterfly. Their efforts coincide with summer workshops offered through the Purdue Extension - Huntington County Office workshops above to learn about the monarch butterfly: where to find them, how they grow from a tiny caterpillar into a beautiful butterfly, what they eat, how to care for them and how to attract them to your yard.

For more information about the County 4-H Junior Leader organization or the monarch butterfly workshop, contact the Purdue Extension - Huntington County Office, 354 N Jefferson-Suite 202, Huntington, Indiana or phone 260-358-4826.

Visitors can step back in time to the pre-1840s during Ouabache State Park's Rendezvous on the Ouabache, June 19-21.

This is a living history weekend aimed at educating visitors about an important period in the history and expansion of the United States.

Friday's Covered Wagon Conversation kicks off the weekend at 8 p.m.; Saturday hours run from 9 a.m. - 8 p.m.; Sunday hours are 9 a.m. - 4 p.m. There will be a period encampment all weekend.

On Saturday and Sunday, there will be ongoing demonstrations of period skills, as well as programs on bison and their relationship to Native Americans, frontier toys, and medicinal plants. Participants will be able to try their hand at doll making and tomahawk throwing. A tug of war contest will take place on Saturday.

Ouabache State Park is at 4930 E. State Rd. 201, Bluffton 46714. The encampment will be located near the fire tower.

There is no fee to participate in

any event during the weekend; however, normal park admission fees will apply (Indiana residents: \$5 per vehicle Friday through Sunday and holidays, out of state: \$7 per vehicle daily). Limited parking will be available at the Rendezvous site.

For more information about the interpretive services, the Rendezvous or becoming involved with interpretive and cultural events at Ouabache State Park, contact the interpretive naturalist at (260) 824-0926 or [OuabacheInterp@dnr.IN.gov](mailto:OuabacheInterp@dnr.IN.gov).

### RED CROSS READY

Summer is a time of fun, rest and relaxation. It can also be a time of severe weather that can cripple communities, destroy homes or personal belongings, or at the very least, result in temporary loss of electricity or running water.

The American Red Cross encourages you to prepare for weather-related disasters or other emergencies by taking three simple actions: get a kit, make a plan and be informed.

"Giving blood is another way you can help your community be Red Cross Ready," said Sharyn Whitman, CEO for the Indiana-Ohio Blood Services Region of the American Red Cross. "Blood must always be there for everyday medical needs, as well as for needs related to disasters."

Every day, regardless of the season, hospital patients need blood products like red cells, platelets and plasma for ongoing and emergency medical care. The Red Cross considers a three-day supply of blood safe and adequate for meeting the needs of hospital patients, with five to seven days optimal for emergency preparedness.

People with type O-negative blood are particularly in demand. Currently, there is less than a half-day supply of type O-negative blood. Only 7 percent of the population is O-negative, but it is the "universal donor," meaning people of all blood types can receive it. Because a single trauma patient can use dozens of type O-negative blood products in just the first few hours of treatment, a strong type O-negative inventory is vitally important. In addition, blood types A-negative and B-negative are urgently needed. Both supplies are at a half-day supply or less.

"Your blood donation helps ensure the blood supply is strong enough to withstand most any disaster—natural or man-made," said Whitman. "It's the blood on the shelf today that helps save lives."

To learn more about steps you can take to help prepare, prevent and respond to emergencies, visit

[redcross.org](http://redcross.org).

All presenting donors in June will be entered into a drawing for a grill package worth \$1,000! The package includes a \$500 Lowe's gift card for the purchase of a grill and a \$500 gift certificate to Omaha Steaks.

### SCRAPBOOK WORKSHOP

A 4-H Scrapbooking workshop will be held Thursday, June 18, 6:30 pm, Heritage Hall. This workshop, hosted by the County Extension Homemakers Club, The Paper Artisans, will cover techniques and ideas that meet the 4-H requirements for the new 4-H scrapbooking project. 4-H participants are asked to bring an album page with cover, 2 or 3 photos and basic scrapbooking supplies, including paper. Youth attending will also need to pay a \$3.00 workshop fee to cover the cost of embellishments that will be shared during the workshop.

4-H members must register for this workshop no later than June 12 by contacting the Purdue Extension – Huntington County office at 260-358-4826. Parents are encouraged to attend the workshop and assist their child, if interested.

For more information, contact the Purdue Extension – Huntington County Office, 354 N Jefferson-Suite 202, Huntington, Indiana or phone 260-358-4826.

### CALEY AWARD

Two Wells County 4-H members will be selected for this year's Caley Memorial Award at the annual 4-H Fair, July 18-23. 4-H members 14 years of age or older can be considered for the award from applications submitted by adults and youth.

Judging is based on the following: 4-H, 45%; School, 20%; Community Service, 20%; Church or Youth Group, 15%

The award will consist of a \$300.00 scholarship. Selection will be announced on Saturday, July 18th, 7:30 PM on the opening day of the 4-H Fair.

The Caley Memorial Award is presented in honor of the Caley family who were tragically killed in an automobile accident in 1965 on their way to the 4-H Fair. Bill, the father, and four children, Kirby, Kent, Kris and Kevin were all killed. Their mother, Marge, survived.

Applications for the award are available at the Wells County Office of the Purdue Cooperative Extension Service, 1240 S. 4-H Road, Bluffton, IN 46714 or online at [www.wellscounty.org/4h/](http://www.wellscounty.org/4h/).

Applications and recommendations are due July 2nd.

training and development program to become a Red Cross Ambassador. He is one of 14 student-athletes from throughout the United States to be selected to participate in this program. Andrew will be trained to Sponsor a Blood Drive at OWU in the Fall and the Spring, and will become a member of the Red Cross Blood Regions Board of Directors. The American Red Cross will award a Scholarship to Andrew for his Sophomore year.

Andrew had played all 8 seasons of his Prep Basketball career with the Huntington Eagles. He had been a four year Varsity starter. He was an Indiana All-Star his Sophomore and Senior year and a National Third team All-American.

Last year, when Andrew committed to play Basketball for Coach Donnie Bostwick of the Oklahoma Wesleyan Eagles, he knew that God had a great plan for him. Coach Bostwick has only been at OWU for 2 years. In his first year, he led the Eagles to their first 26 win season, and their first NAIA Division II Sweet Sixteen appearance.

This past year Andrew played for the one team that WON the NAIA Division II National Basketball Championship. The Eagles went 35-2, winning their last 18 games, and Coach Bostwick was awarded the 2009 Rawlings NAIA Division II Mens Basketball Coach of the Year.

### NOMINEES NEEDED

The Huntington County Extension Board is looking for nominees for the County "Friend of Extension" Award. This award is a great way to recognize an individual who has been active in Extension programs (agriculture, consumer and family sciences, youth or community development) through their participation, leadership or cooperation with Extension activities. The Extension Board Award Committee will accept names of nominated individuals until June 15 and suggested names can be submitted to the County Extension Office.

For more information, contact Janell Brubaker, Extension Board Awards Committee Chairperson, 468-2391 or the county Extension Office, 358-4826.

### FIELD DAY PLANNED

The Tri-State Field Day will give farmers and applicators opportunities to interact with experts from Purdue, Michigan State and Ohio State universities. This event will be June 24 at the Northeast-Purdue Agricultural Center in Columbia City, Ind.

"By attending the field day, commercial and private

applicators will have a chance to earn category 1 and registered technician credits, along with private applicator credits. Crop adviser credits will also be available. Participants will learn about different aspects of application from three of the finest universities," said Ed Farris, Purdue University Extension educator in Huntington County.

There are five sessions with specialists including:

- \* Weed competition in corn and the solutions available. Bill Johnson, Purdue Extension weed specialist, will discuss the effects of glyphosate application for different corn stages and how it relates to weed pressure, as well as provide solutions to these challenges.

- \* The importance of utilizing seed treatment and stand improvement of soybeans will be discussed by Jim Beuerlein, OSU Extension crop physiologist and crop specialist. Interaction with fungicide, row spacing, and population rate also will be introduced.

- \* Residual herbicides in no-till cropping systems and research done with Liberty Link soybeans will be explained by Christy Sprague, MSU Extension weed specialist.

- \* The importance of scouting and control of the soybean aphid and western bean cutworm will be highlighted by Chris DiFonzo, MSU Extension entomologist.

- \* Environmental issues involving chemical applications and the impact on water systems will be discussed by Fred Whitford, Purdue Pesticide Program coordinator.

Farris will introduce a new Web site (<http://www.driftdown.org>) designed to facilitate communication between pesticide applicators and specialty crop growers to help ensure sensitive area are protected while encouraging appropriate pesticide applications.

Registration is due by June 19 to the Allen County Extension Office. A brochure is available

online at <http://www.extension.purdue.edu/anr/documents/2009/Tri-StateFlyer09.pdf>. Registration is \$40 per participant. Category 1 and private applicator credit will be an additional \$10 per participant. For more information on registration contact Farris at 260-358-4826, [emfarris@purdue.edu](mailto:emfarris@purdue.edu)
