WHODUNIT?

The Mousetrap Opens May 12

On a snowy afternoon in 1952, five travelers meet at Monkswell Manor. As the snow cuts off all access to the outside world, someone cuts the phone line. There are radio reports of a murder with no word as to where the murderer is hiding. Could there be a murderer on the loose at Monkswell Manor?

This classic Agatha Christie murder mystery is the longest running show in the world. Opening on November 25, 1952 at the Ambassadors Theatre in London, it is still running after more than 20,000 performances. The original Mousetrap was a 30 minute radio play, The Three Blind Mice, which was presented in honor of Queen Mary's 80th birthday. Christie based a short story on the radio play and eventually the short story became The Mousetrap. It was stipulated that the story not be published as a book as long as it was running as a play. It has still not been published in the United Kingdom.

Agatha Christie has said of the play, "It's not really frightening. It's not really horrible. It's not really a farce. But it has a little of all of these things and perhaps that satisfies a lot of people."

The cast of The Mousetrap is as follows: Vicki Myers as Mollie Ralston, Bart Willard as Giles Ralston, Josh Bryda as Christopher Wren, Janna Brothers as Mrs. Boyle, David Scribner as Major Metcalf, Eula Conwell as Miss Casewell, Darren Turney as Mr. Paravicini and Matt Stephenson as Detective Sergeant Trotter.

The show will run May 12, 13, 18, 19, 20, 25, 26 and 27. Doors open at 7:30 and the show starts at 8:00 pm. Tickets are \$12 for adults and \$5 for children 12 and under. Reservations may be made by calling (260) 375-7017.

Kids Kampus™ Childcare Center in Huntington will hold its 15th Annual Golf Outing on Wednesday May 24th. The fundraising event, sponsored by David Culp and Company, will take place at LaFontaine Golf Club, 6129 N. Goshen Road, Huntington. Registration and lunch begin at noon, with a 1:00 PM shotgun start.

A hole-in-one contest will take place-allowing participants in the outing the chance to win a 2005 Ford Mustang Coupe and a three-day two-night golf trip getaway, sponsored by Crain Ford and Lake City Bank. Certain restrictions will apply with the hole-in-one contest.

In addition to the hole-in-one contest, an auction will be held following the golf event. All proceeds from this year's event will go to the Kids Kampus™ Scholarship fund to assist lower-income families in keeping their children in high-quality childcare while helping parents stay employed.

To register for the Golf Outing, stop by Kids Kampus™ located at 435 Campus Street. Registration is \$65 per player before May 12th, and \$75 per player after May 12th. Kids Kampus™, Huntington, offers childcare and preschool services to children from infancy to age 12. Kids Kampus™ is accredited by the National Academy of Early Childhood Programs. It is a division of Pathfinder Services, Inc., a not-for-profit human services organization based in Huntington.

MAY 6 IS NATIONAL NURSES DAY

Who among us doesn't have a fond memory of someone in white who cared for us and about us when we were sick?

Though kindness and skill are nurses trademarks, they must bring other qualities to the fore in caring for the sick and injured, like courage in the face of tragedy, strength in the long day and night, and accuracy on records.

Nurses today face many challenges. Like professionals in many other areas, they are responsible for more than ever before. At the same time, nurses are moving into new positions such as nurse practitioners and doctor's assistants. The U.S. Bureau of Labor Statistics reports that registered nurses top the list of the ten occupations with the largest projected job growth through 2012. It's a tough but rewarding job.

National Nurses Week is May 6 through May 12. May 6 is National Nurses Day. We thank them for their work.

MAY IS NATIONAL PHYSICAL FITNESS AND SPORTS MONTH

It's the President's Challenge: You're It! Get Fit. It only takes a small change to start improving your fitness. Instead of telling yourself you can't, tell yourself you can.

This year marks the 50th anniversary of National Physical Fitness and Sports Month. In honor of the 50th anniversary, the President's Challenge will distribute special commemorative edition certificates for the President's Fitness Test. Certificates for the physical fitness test and the Presidential Active Lifestyle Award will feature the 50th anniversary logo.

The President's Council has produced the booklet Stay Active and Be Fit! A Guide to Fitness and Activity Fundamentals. It includes information on goal-setting, getting started, flexibility, and strength training workouts. It costs \$2.50 or \$2 for 100 copies or more. It can be ordered by calling (800) 258-8146.

The President's Challenge encourages all Americans to make being active part of their everyday lives. No matter what your activity and fitness level, you can improve your health, vitality, and endurance.

Whether you walk, ride a bike, or play a sport, when you keep active, you are moving toward being in better shape than before.

CELEBRATE READING

One more week for "Celebrate Reading" the after-school story time for children grades kindergarten through second grade at Salamonie School.

The first week, the children learned many fun things about Dr Seuss, heard some of his famous tongue twisters and played Seuss Bingo.

The second week, Ann Spahr brought some bears from her collection and the children heard some teddy bear history and sto-

ries. They received patterns to make their own jointed bear, received a Corduroy Bear to color and a button to add to his overalls and one lucky attendees name was drawn to receive a bear donated by Mrs. Spahr.

OFFERS GREAT BENEFITS

by Alyssa Osborne
Barbara waits patiently in her tiny room covered with angel figurines both small and tall, with the temperature too warm for most. The 43-year-old woman is awaiting a trip she makes four days a week.

A cerebral palsy patient with no mobility of her lower extremities and very limited movement of her

upper body, Barbara Ruble, one of the many residents at the Warren Methodist Memorial Home that take advantage of the center's exercise room and pool, visits each the pool and exercise room twice a week.

The Warren Methodist Memorial Home Pool/Health & Fitness Center, open six days a week to not only residents, but also members of the community, offers various benefits to all kinds of people.

The exercise room features five treadmills, three bikes, an elliptical, two weight machines, a rowing machine, and a neustep, which is great for exercisers like Barbara who have either arm or leg disabilities because it moves the arms and legs simultaneously.

Barbara intends someday soon to be able to get back in a car, so exercise machines like the neustep benefit her greatly and move her forward in reaching her desired goal.

The room also has a big area with enough space to perform wheelchair exercises, mirrors on walls for exercisers to see their posture and balance, and stabilizing bars and balance balls for stretching.

The center offers classes like Tai-chi, which helps with balance and is slow-moving, and ballroom dancing lessons, as well as yoga, pilatte, and balance bar videos.

The Pool/Health & Fitness Center staff is also very accessible and helpful.

"The pool staff working in a non-competitive atmosphere makes the exercise not only helpful but comfortable," said Monnie Boykin, who frequently exercises at the center.

Stacia Perry, the center's director is very optimistic about the results she has seen in those who come to exercise; and works with them to make them feel better and more at ease about their exercises.

The pool is great for warm water rehabilitation and therapy due to the 90 degree temperature and the hot tub jets located at one end.

The pool also includes a water wheelchair and parallel bars for those who have problems balancing themselves in the water, as well as separate men's and women's locker rooms, and a couple's locker room.

Many swimmers, some of whom needed a lot of coaxing just to step foot in the pool, have witnessed great results since they began their pool exercises.

"At the age of 85 I purchased my very first swim suit," said Georgia Pugh, a resident at the United Methodist Memorial Home in Warren, Ind. "I go to the pool not only for physical benefits, but also social and emotional benefits."

SENIOR EXPO

The Huntington County Council on Aging proudly announces the 2nd Annual Senior Citizens' Exposition on Thursday, May 18th, at the Merillat PE and Recreation Center on the Huntington University Campus, Huntington IN. This is FREE to anyone who wishes to come. The event will bring together businesses and services that serve the senior population.

Since May is National Older Americans' Month, it is an appropriate time to offer the senior population an opportunity to learn about products and services which are critical to their life-long wellness. There will be exhibitors offering services such as financial planning, insurance consulting, as well as funeral and cemetery planning. Healthcare, wellness centers, and retirement communities will be well represented. Companies that offer travel services and equipment that makes life easier for the

senior population will also be on hand to explain their services and products.

Markle Health Care, Miller's Merry Manor, Johnson's Realty and Good Humor/Bryers Ice Cream have teamed up to provide FREE breakfast, lunch and snacks. Last year our visitors commented that the food was delicious and plentiful. We plan to repeat that experience this year.

The exhibitors will have free gifts and handouts. Many exhibitors are planning free drawings for gifts. Our Grand Door Prize this year is provided by Mt. Hope Cemetery who is donating two cemetery plots, a \$900.00 value! Numerous businesses have donated door prizes which will be announced throughout the event. Monte Sieberns will be there as the DJ and announcer.

Entertainment will be provided by the Mossburg Strings, the Alley Kats, Guy Collett One Man Band, Hoosier Gentry Barber Shop Quartet, a line dancing show and a Ballroom Dancing exhibition. The Huntington YMCA will give a presentation of their programs and the American Red Cross will give a pet first aid demonstration. The Crestview 6th & 7th grade bands will also be performing. The entertainment will

make this event a very special day for the seniors, and their friends.

This year, 18 million baby boomers will begin turning 60 years of age. Events such as the Senior Citizens' Expo will become increasingly important as Americans live longer, and remain healthy, productive, and financially secure in their later lives.

AUDITIONS

Auditions for the Pulse Opera House production of Wild Oats will be held at 7:30 p.m. on Monday, May 22 at the theatre. The large cast has roles for a variety of ages and types. We need cowboys, Indians, saloon girls, the Calvary, an evil minister, a ragtime pianist and a bear. The pianist is a character in the show.

The plot for Wild Oats is a wacky blend of Shakespeare in the Old West, mistaken identities, barroom brawls and all out fun. Olio acts will be performed between scenes, so a variety of talents are needed. Brush off your tap shoes and tune up your tuba! The audition will consist of readings from the script and improvisation.

Wild Oats runs July 14, 15, 20, 21, 22, 27, 28 & 29. Rehearsals

are M-F evenings from 7:30-9:30 pm beginning on June 5.

The cost is \$50 for morning or afternoon sessions only or \$75 for the full day. For families, it is \$50 for the first child and \$35 for siblings for morning or afternoon sessions. PQA WORKSHOPS

The Huntington County Extension Office will offer two (2) classes for certification in Pork Quality Assurance (PQA), in accordance with the National Pork Producer Council. This national program was started to insure the highest quality pork offered to the consumer and to educate all pork producers on proper handling and care of their animals. The Extension Office will conduct two workshops for all 4-H swine members on Monday, May 8 and Tuesday, May 9 at the Family Living Building, Hier's Park, Huntington. 4-H youth may attend either workshop, which will take place from 7:00-8:15 pm each evening.

During the workshop, youth will learn more about good production practices in raising a quality pork product and will complete

worksheets and activities relating to some of the production practices. All 4-H swine members must be certified in PQA to be eligible to sell a barrow in the Huntington County 4-H Fair Livestock Auction.

Youth need to contact the Huntington County Extension Office to register their attendance for either workshop. If youth cannot attend one of the two scheduled workshops, there are two additional options to become certified in the PQA program prior to the 4-H Fair.

For more information, contact the Purdue Extension—Huntington County Office. The Purdue Extension—Huntington County office is located in the County Courthouse Annex, 354 N Jefferson—Suite 202, Huntington. The office phone number is (260) 358-4826 or email

laldridg@purdue.edu.

WINS RAFFLE

Scott Smith of Roanoke was the proud winner of the gun raffle a "Knight 50 Cal. Muzzleloader" from McDonald's Guns & sponsored by the Warren Sportsman Club. Scott was very surprised since he never bought a ticket. Chuck Kennedy purchased the winning ticket from Greg Witkamp to support the club's efforts in promoting outdoor sporting and hunting safety, and wrote Scott Smith's name on the ticket.

The Sportsman's club was established in 1943 and is located adjacent to Tower Park in Warren. The Club is currently having a membership drive and other special events to support these endeavors. 4-H shooting sports and the DNR use the facility for hunter education classes. For more information on events and rental of the club house for special events or becoming a member should contact Greg Witkamp at 260-375-3635 or Ken or Robyn Groves at 375-2984.
